Dear Potential Maine Sire Stakes Program Participants:

The 2026 Stallion Directory contains a list of the stallions that have registered with the Maine State Harness Racing Commission office, indicating they are eligible to stand in the State of Maine during the 2026 breeding season. There have been some very talented horses come out of this program and have gone on to have great careers in harness racing.

This program is in desperate need of trotting stallions, as the numbers in that class are becoming increasingly scarce. It would be beneficial to reopen the discussion on breeding to outside stallions to attract more owners to invest in this wonderful program. There is no better time to invest in this program than now. With a smaller number of participants, it certainly increases an investor's chance of a return with the available purse money. Contact any of the owners or agents in this directory if you are interested in becoming a participant.

Finally, I would also encourage everyone who has a Maine-sired horse to become a member of the Maine Standardbred Breeders and Owners Association. The organization keeps its members informed about the latest industry issues, sponsors educational seminars, and provides timely information on payments and race schedules.

If you have any questions about the program, please don't hesitate to contact our office.

Sincerely,

Shane Bacon

Maine Standardbred Breeders & Owners Association

Welcome to the 2026 Maine Sire Stakes Stallion Directory

On behalf of the Board of Directors, we present to you our Stallion Directory. The breeding season begins February 15 and ends on July 15. There are three new stallions registered with the State of Maine Harness Racing Commission.

Always A Miki

Arthur Blue Chip

Never Say Never N

In total, we have 19 stallions registered. Some of the best bloodlines in the world are represented in Maine. Top stallions like American Ideal, Art Major, Bettors Delight, Captaintreacheruos, Chapter Seven, Western Hanover and many others are available for your consideration. Of course, the top pacing stallion Dude's The Man and the top trotting stallions Cantab Fashion and To The Hilt are available again.

Our purses continue to grow with most divisional champions earning nearly \$100,000 as two-year-olds. When these "babies" return as three-year-olds the divisional champions earned nearly \$130,000.

The Stallion Directory includes the pedigree of each stallion. New this year, we introduce PM Equine which is a pedigree matching software that is available for free for MSBOA Members. This software has been used with success to generate some of the pedigrees of leading horses in the US and Canada. While this software has been available for many years, we are happy to now be able to provide this additional resource to our membership so they can make the best match possible for their mare. This is a four year investment so choose wisely.

Best of luck! Hope to see all of you at the races during the summer of 2026.

William H. Childs, MSBOA President
